

The chronology of the prophets (the Hebrew Bible)

Because of its accuracy, I used Dr. Floyd Nolen Jones' *Chronological Charts of the Old Testament* floydnojenjones.com/Floyd_Nolen_Jones_2/Writings_files/charts.zip as the foundational chronology. The Hebrew Bible, from the time of the return from Exile to the closure of the canon, listed its Minor Prophets (Hosea through Malachi) in the historical order their prophecies were given. Even though their arrangement differs slightly from Dr. Jones in a few instances, I kept the Hebrew Bible's chronology of their prophets and integrated their order with what can be deduced from their time from internal clues within the prophecies themselves, as well as clues from the rest of Scripture (listed below).

Elijah	to ISRAEL during Ahab, 1 Kin 17-19, 21, 2 Kin 1-2
Elisha	to ISRAEL during Ahaziah, Jehoram, Jehu; 2 Kin 2-9, 13
Hosea	to ISRAEL during Jeroboam II; Hos 1:1
Joel	to JUDAH during Amaziah (deduced from its placement between Hosea and Amos)
Amos	to ISRAEL during Jeroboam II; Amo 1:1
Obadiah	to JUDAH during Amaziah (deduced from its placement between Amos and Jonah)
Jonah	to NINEVEH during Amaziah of Judah; 2 Kin 14:25, Jon 1:1
Isaiah	to JUDAH during Uzziah, Jotham, Ahaz, Hezekiah; Isa 1:1; killed by Manasseh
Micah	to JUDAH during Jotham, Ahaz, Hezekiah; Mic 1:1; killed by Manasseh
Nahum	to NINEVEH at the beginning of Josiah of Judah (deduced from its placement after Micah, but before the destruction of Nineveh during the reign of Josiah)
Jeremiah	to JUDAH during Josiah, through the destruction; Jer 1:1-3
Daniel	removed by Nebuchadnezzar during Jehoiakim, lived to serve the Medians
Habakkuk	to JUDAH during Zedekiah; 2 Chr 36:15; deduced from its placement after Nahum
Zephaniah	to JUDAH during Zedekiah; 2 Chr 36:15; deduced from its placement after Habakkuk
Ezekiel	to the CAPTIVES in Babylon, during Zedekiah and after; Eze 1:1-3
Haggai	to the returned REMNANT during Ezra; Ezr 5:1, 6:14, Hag 1:1
Zechariah	to the returned REMNANT during Ezra; Ezr 5:1, 6:14, Zec 1:1
Malachi	to the returned REMNANT following Nehemiah; deduced from its placement as the final prophet of the Hebrews until the announcement of the birth of John

The chronological arrangement of Jeremiah's prophecies.

Because of its clarity and exact correlation of Jeremiah's internal evidences with the historical record of other Scripture, for reference I have used *The Arrangement of Jeremiah's Prophecies* by J. Barton Payne, etsjets.org/files/JETS-PDFs/7/7-4/BETS_7_4_120-130_Payne.pdf
